4002 Gallon

Pestrap™ Accessories

"S" Hooks — Low cost, 14 gauge, 1" zinc hooks used for hanging both sizes of PESTRAP™.

Dual Support Stake — Designed to be placed in pots suspending Mid-Size PESTRAP™ throughout growing benches, or for hanging from greenhouse structure. Approximately 24" long overall.

PVC Coated Steel Wire Cable — A 500' coil of PVC coated, standard wire for suspension of Jumbo PESTRAP™. Heavy duty gauge, will resist stretching.

PVC Gloves — For use when separating and handling PESTRAP™. Plus many other uses in the greenhouse. Should the "glue" of PESTRAP™ get on your hands, use a heavy duty soap such as Lava® or Goop®. — Large.

PVC Coated Wire Cable
